WALK THROUGH & DEBRIEF INFORMATION

There will not be any in person walk throughs at any trials. For NW1/2/3, Elite & Summit trials the Certifying Official will post brief videos of the search areas prior to the start of the trial and end of day debrief to the NACSW Virtual Walk Through site walkthrough.nacsw.net. Element Specialty and Elite Select trials may have brief virtual walk through videos for some searches if the Certifying Official determines that it will help clarify the search area and/or improve the flow of the trial day. The Certifying Official will post end of day debrief videos to the NACSW Virtual Walk Through site walkthrough.nacsw.net.

In the event that there is no cell service or technical issues, the CO will describe the search areas at the morning briefing.

LOCATION DETAILS

La Jolla United Methodist Church
6063 La Jolla Blvd
La Jolla, CA 92037

It is not appropriate to visit the trial location prior to the trial date, nor should training take place on trial grounds once an event is approved/announced. Our locations are real life search environments where people work, go to school, etc. Pre-trial visits risk the host losing the opportunity to use the location again in the future.

ADA SITE SPECIFIC CONDITIONS

This event location is a church and preschool. The parking lot is paved with no shade. There are unavoidable stairs leading to, from, or in the search areas and to and from the bathrooms. There are no elevators.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the expected search areas, parking, and pathways to the search areas may be modified at the last minute.

PLEASE NOTE:

Dogs must be kept on a 6' or shorter leash while in the general area of the trial grounds including the potty areas and while walking to and from search areas (Flexi leashes are not permitted except during searches). To ensure the safety of all dogs, please keep a minimum of 8 feet between dogs unless expressed consent is given. If your dog is dog-reactive and you wish to use a red bandana to let others know your dog needs extra space from other dogs, please plan to bring one for your dog.

Competitors should expect to keep their dogs confined when not competing. NACSW™ trials typically do

not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths. In the event of extreme weather conditions, participants should be prepared to keep their dog adequately warm or cool in their vehicles or in crates adjacent to their vehicles. In the case of high air temperatures, dogs must be crated with adequate shade, ventilation and access to water. Dogs may not be loose in vehicles with open windows or tied to a vehicle or other stationary object.

Please see the NACSW™ Rule Book, section NACSW™ ORT & TRIAL REGULATIONS, Safety & Location Regulations for further explanation.

Please call or text us on trial day if you will not be able to attend or are delayed.

DRIVE FOR LA JOLLA TRIAL May 23 & 24, 2025

Hello Everyone,

As some of you maybe aware we usually do a small raffle at our events to raise money for good causes and charities. However, the hosting facility, La Jolla United Methodist Church, has asked if we would be able to purchase any of the items off the list provided amazon wish list.

The items purchased will be donated to the victims of the most recent wildfires in the LA community. We are happy to support this request and hope that you will also help support the Church and the community it serves by purchasing some of the items in which the church needs for those affected by the fires.
