

I'm really unsure how to start this so uh yeah

Each couple of pages make one episode, that's why there's a few pages for this (it acts like chapters ig, id like to name them episodes to give off the tv retro feely vibe)

Also, I'm thinking we'd put this comic somewhere in like... Webtoon and a website

Most of the episodes we r making would be season 1, so about 10-15 episodes would make a season, and the episodes would consist of 3-5 pages(?)

hovers up to the area, goes up to Cursor, and is greeted by Squeaky
with a smiling face, Cursor flinches at how fast the little guy came

Cursor

"Woah!.. H-Hello!.."

Squeaky

SCRIPT EPISODE 2 START

PAGE 1: (The tour)

Squeaky and Cursor roam the hallways, showcasing the many rooms in the facility, stopping at every main station.

Squeaky

"This is the marketing and social media section of the building, it has many technical items in here, a whiteboard for strategies to get consumers hooked on new products, and more!"

Cursor glances at the room for a second, seeing some object with a tired look on their face, but they glance back at Cursor and put on a smile, Cursor is a bit concerned.

They both stroll to other main stations, giving brief descriptions and stops. Kind of like a montage.

It cuts to Cursor feeling dizzy and Squeaky with a usual cheery smile, they are both in an elevator.

Squeaky

"We have two more stops to make, and then we'd be done with the tour!"

Cursor

Cursor holds their head, still dazed
"Oh... Good."

PAGE 2: (The tour: Continued)

The elevator dings and goes up to the 3rd floor of the facility, the hallways were all white, and it looked very polished with gold and purple accents. Cursor looks around amazed

Cursor

"Wow... This looks..."

Squeaky

"Amazing? I think so too!"

They both walk up to three doors, two facing each other on the walls, and one facing the front of them, the front is bigger than the other ones

Squeaky

The scene shows the Admin door

"These are the higher-up rooms, the one on the left is the Admin room, owned by Jelly Pop. He usually works for the smaller stuff of the facility, like maintenance, and testing. He's always open to any questions or concerns you have over in Dragon Treasure! Fun fact, they are also the taste tester for most of our products here and approve new flavors and products!"

The scene shows Co-Ceo's door

"The door to your right is the Co-CEO room, owned by Detwenty Die. They work for the bigger problems and operates like how the CEO would when the CEO's out."

The scene shows CEO's door

"And last but certainly not least, the CEO room is the one right in front of us, the biggest of the big, Three Shulze. He monitors how everyjects doing and makes sure things are in tip-top shape!"

"These three all created Dragon Treasure Cereal from the ground up
to what it is today!"

PAGE 3: (The tour: Continued 2)

Cursor took a good look at all the doors, it was all tall, more
massive than any object out there

Squeaky

"C'mon Cursor, There's one more thing you have to see!"

Cursor follows Squeaky, Cursor looks back, atmosphere kind of eerie
They go down the elevator once again

Focuses on the level to where they are, says something along the
lines of "0"

Elevator dings and Squeaky hovers to the lights, clicking them on

Cursor

Eyes widen

"Woah..."

The scene is with the dragon, sleeping softly and soundly, Cursor
walks around

Squeaky

"This is your station, we know you are not good with other jects so
we gave you something that's a bit more secluded, and we know your
love for animals sooo!..."

Cursor

"A dragon... I-I thought they were extinct?... How..."

Squeaky

"Now there areee a few rules I have here"

Squeaky holds a Techpad

"You have to feed it every.. E-Every 5 hours..."

Squeaky squints his eyes, struggling to read

"AAAnd... make sure to brush her mane every now and then.. And don't tell anyone about.. About the dragon.. I think I got that right!"

"Well, you have a copy of all the instructions in your job-assigned techpad! And all the things you need are in the designated stations!"

"This is the end of the tour! If you have any questions you can always come to me or to admin!"

"Oh! Almost forgot!"

Squeaky pulls out a DTC Employee shirt from behind him

"Heres your work shirt!"

Cursor

"Oh, a-alright, thanks!"

Squeaky exits, Cursor looks at the techpad and then looks up at the dragon.

Cursor

"Shemni huh... Nice name..."
