Newspapers

Most of the English-language newspapers cited throughout the book were accessed through the website Newspapers.com. I also consulted the New York Public Library's online collection "New York City Newspapers at The New York Public Library: Daily Newspapers," available at <https://libguides.nypl.org/nycnewspapers/nyc>. The newspapers in other languages, and a few other English-language papers too, were accessed from a variety of sites and physical archives. Unless otherwise noted, all papers listed here were/are published in New York City.
