Got a smartphone? Get your school's emails, notifications, reminders, and more!

There are two ways to do this, depending on your preference.

1. Use your phone's default email program, follow these directions.
2. **Or**, you can use or install the Gmail app for Android or iPhone.

   When asked for your email and password, use your SIATech account to connect you with SIATech email, Google Drive notifications and Schoology notifications.

*OYA students can also create an account, with their SCCOE username and password, to connect with their OYA teachers.

1. **Go** to the **Android Google Play Store** or the **Apple App Store.**
2. **Search** for apps by Google LLC for **Google Drive, Google Docs, Google Sheets,** and **Google Slides**.
3. **Install** the apps.
4. **Log in** with your SIATech credentials (email/password).
