New this year: Access to Washburn's Spond app is included with membership. Only members will be able to sign up for events in the Washburn Pickleball Group. This APP will communicate all the court location dates and times of play and play levels intended for the times. We need your email for this. WTPA will not share emails with anyone.

Our goal is to promote tennis and pickleball in Washburn as a life sport. We are partnering with the Washburn City Parks Committee to perform maintenance and improvements to the City Parks tennis and pickleball courts.

Members will be kept up to date on WTPA announcements and plans for future support of these sports in our community. Annual membership meetings are held in the spring of each year. All members are welcome. The WTPA website also posts the group's news!
