

INTRODUCTION ;

Hello , my name is Byron, I'm in eastern standard timezone. I use they/them pronouns and am 21+. I'm a student with a full time job , so sometimes replies take a long time to get pushed out. I will always come back and I'm available on discord to chat to rp.
IM me on tumblr for my discord.

GUIDELINES ;

INTERACTIONS ; This blog is mutuals only and 18+ for all muns and muses. All attempts to plot or interact will be ignored if we are not mutuals.

PLOTTING & MEMES & CALLS ; I prefer to talk and plot out a general idea for our muses before interacting. I prefer that memes come from mutuals that I have actively interacted with in the past. Starter and Plotting Calls can be liked by any mutual regardless of prior interactions. Please specify muse.

SMUT ; I'm pretty picky with the muses and muns that I write smut with. If you're unsure if this applies to you, then ask. All smut and smut-adjacent content will be placed under the cut and tagged.

TRIGGERS ; this blog may/will contain mentions and imagery of: blood, biting, feeding, fighting, sparing, THESE WILL NOT BE TAGGED. The following will always be tagged: smut, excessive blood, alaric saltzman, abuse of any kind as #trigger tw
