

## SOP Media Partner AICHE UI SC 2026

AICHE UI SC (American Institute of Chemical Engineers Universitas Indonesia Student Chapter) is a student organization under the Department of Chemical Engineering, Universitas Indonesia, focusing on developing industrial competencies in chemical engineering. We organize a variety of programs, including national competitions, seminars and workshops, member empowerment activities, social initiatives, industrial visits, and many more. To support these initiatives, Media Partner AICHE UI SC 2026 offers media partnership opportunities for institutions, communities, organizations, and companies. Detailed offers and benefits are provided in the attached document.

### Media Partnership Procedure:

1. External parties must agree to the terms and conditions applicable for establishing a media partnership with AICHE UI SC 2026.
2. Long-term media partnership package:

	Partnership benefits	Partnership Obligation
