The **light** from the sun is bright. I can see it!
I'll use my umbrella to block the light from the sun. Now it is **dark**!

The **light** from the light bulb is bright. I can see it!
I'll flip the switch to turn off the light. Now it is **dark**!

The **light** on my screen is bright. I can see it!
I'll turn down the brightness. Now it is **dark**!

The **light** from the rainbow is bright. I can see it!
I'll watch as a dark cloud moves in front of it. Now it is **dark**!

The **light** from the fire is bright. I can see it!
I'll smother the flames with water to put it out. Now it is **dark**!
