

Gloria's Joke

A guy goes into the confessional box after years being away from the Church. He pulls aside the curtain, enters and sits himself down. There's a fully equipped bar with crystal glasses, the best vestry wine, Guinness on tap, cigars and liqueur chocolates nearby, and on the wall a fine photographic display of buxom ladies who appear to have mislaid their garments.

He hears a priest come in: "Father, forgive me for it's been a very long time since I've been to confession and I must admit that the confessional box is much more inviting than it used to be".

The priest replies, "Get out, you idiot, you're on my side".

Derek's Joke

One Good Thing About Being Wrong Is the Pleasure it Brings to Others!!!

The Arctic Ocean is warming up, icebergs are growing scarcer and in some places the seals are finding the water too hot, according to a report to the Commerce Department yesterday from Consulate, at Bergen, Norway.

Reports from fishermen, seal hunters and explorers all point to a radical change in climate conditions and hitherto unheard-of temperatures in the Arctic zone.

Exploration expeditions report that scarcely any ice has been met as far north as 81 degrees 29 minutes.

Soundings to a depth of 3,100 meters showed the gulf stream still very warm.

Great masses of ice have been replaced by moraines of earth and stones, the report continued, while at many points well known glaciers have entirely disappeared.

Very few seals and no white fish are found in the eastern Arctic, while vast shoals of herring and smelts which have never before ventured so far north, are being encountered in the old seal fishing grounds.

Within a few years it is predicted that due to the ice melt the sea will rise and make most coastal cities uninhabitable.

I must apologize.

I neglected to mention that this report was from November 2, 1922, as reported by the AP and published in The Washington Post - 93 years ago.

This must have been caused by the Model T Ford's emissions or possibly from horse, cattle and liberal politician mouth flatulence?
