Dr. Carlos Gabriel Borbón-Morales
Editor-in-Chief Scientia et PRAXIS
Academia Mexicana de Investigación y Docencia en Innovación (AMIDI)

According to the normative management criteria of the **Scientia et PRAXIS** (called here **the Journal**), published by the Academia Mexicana de investigación y Docencia en Innovación (**AMIDI**), the undersigned here state under oath that the authorship of the scientific article (called here **the Work**) entitled (in *English and Spanish*):

.....*ENGLISH*.....”

.....*SPANISH*.....”

It is the product of original, unpublished, intellectual and academic work which has not been simultaneously nominated in another publication. In addition, the document has been previously reviewed in its similarity levels (**less than 10%**), ensuring that no plagiarism has been committed to its contents.

Likewise, **the Journal** reports that it will distribute **the Work** under an [Creative Commons Attribution-NonCommercial 4.0 International License \(CC BY-NC 4.0\)](#).

The authors retain the copyright of their papers without restrictions, granting **the Journal** the right of first publication of **the Work** and other non-exclusive publishing rights.

Similarly, the signatories here authorize **the Journal** the rights to assign DOI-CrossRef, digital preservation, indexing, reproduction, publication, the edition, to

fix, communicate and publicly transmit the **Work** in any digital form or digital medium for exclusively scientific, cultural, and dissemination purposes, giving credit to the authors. **The work** will be withdrawn, without any legal consequences for the parties, when the authors or **the Journal** require it.

Hence, the signatories are responsible for any litigation or claim related to intellectual property rights, excluding **the Journal** and the **AMIDI** from all liability.
