

K'NEX STEM CHALLENGE!

Student Name: _____

Proposed team members: _____

Why do you want to participate in this challenge?

How well do you work with others?

What does “compromise” mean to you?

Describe what our school district motto – One Team, One Mission – means and how it applies to this challenge?

Are you available to stay after school to work on the project?

If you are selected, are you willing to work with a teacher-selected group of applicants?

What other information should I know about you and/or your proposed team in order to make a well-informed decision?
