The Master Gardener Program and/or the Master Gardener Association of Coconino County is the sole owner of any plan that it develops and/or provides for a project. These plans will not become the property of the project owners or their hired contractors. Furthermore, the CMGA is not responsible for the raising of funds or the management of funds for any specific project.

As per the Program Policy, Master Gardeners are educators and cannot be utilized strictly as labor for any group.

I hereby acknowledge I have read the provided pages, have included the information to the best of my ability, and recognize a project cannot be accepted until all the information is provided.
