

**The Great Kindness Challenge
La Costa Meadows Elementary School
January 25-29**

Families,

To enhance Kindness Week, teachers have been given optional art activities to share with students and families. (Please double check your student's assignments directly to confirm that these are still optional and not required!)

We encourage students to give one or more of these fun art projects a try this week, and **if you end up creating something, please submit a photo to be considered for our yearbook and social media!** Email photos to stacy.pollard@smusd.org.

Optional Art Activities:

Nature Hearts Art via The Pinterested Parent

<https://thepinterestedparent.com/2017/06/nature-hearts-art/>

Splatter Paint Art Project via Buggy and Buddy

<https://buggyandbuddy.com/inspirational-splatter-paint-art-project-for-kids/>

Kindness Rock Painting via Inspire Kindness

<https://inspirekindness.com/blog/rock-painting>

Also, we are working to establish a Kindness Rock garden on campus! Kids who create a Kindness Rock can bring it to school when we're back in session, and be a part of our Kindness Rock garden. Details to come, for now just encourage the rock creation!

Thank you so much!
