GARFIELD
STEM MAGNET & COMMUNITY SCHOOL

Family Engagement Compact
2024-2025

Student Portion of Compact:

1. I will show up & be prepared for class and will properly care for my agenda and 3" binder.
2. I will *respect* myself & others as well as our property, equipment and supplies.
3. I will let an adult know if I hear about conflicts or concerns, to others or to the school.
4. I will *respect* and follow the school's rules and the directions of all adults in the building**.**
5. I will collaborate & be resourceful.
6. I will do my best to succeed academically and socially by striving to meet learning expectations and will contribute to a positive learning environment.

Family Portion of Compact:

1. I will help my scholar by ensuring they attend regularly and strive for 95% attendance. If we need it, we will ask for help to problem solve, adapt, and improve our attendance.
2. I will encourage curiosity, open-mindedness, resourcefulness & resilience by asking my scholar about their day and listening to their answers. I will help my scholar properly care for their agendas and binders.
3. I will collaborate and communicate with staff and administration to ensure my scholar has what they need to succeed academically and socially including supplies, homework, agenda, binders etc. We will ask for help when we encounter barriers or concerns.
4. I will let the school administration know if I hear about any threats to my scholar or to others or to the school.
5. I will check my scholar's grades and attendance with them weekly, and contact teachers with questions regarding my scholar's academic progress and achievement.
6. I will ensure that my scholar is dressed appropriately for school to encourage *respect & responsibility.*

Staff Portion of Compact:

1. As an advisory teacher, I will have my scholars check their attendance and grades and will check their binders and their agendas at least twice each quarter so that I can help them stay on track.
2. I will be open-minded & give ethical consideration to every student & family.
3. I will encourage curiosity, open-mindedness and resourcefulness in every class every day.
4. I will collaborate with families and administration to find ways to Make Things Work and Make Things Work Better to help every scholar succeed.
5. I will teach the Learning Habits of Mind & Design Process as well as the Restorative Practices of *respect, responsibility, & relationship building* to help scholars visualize and prepare for college, career and life.

Administrator Portion of Compact:

1. I will share school-wide data on attendance, behavior and grades through various communication methods including newsletters, marquis, phone calls and social media in order to reflect & collaborate with staff, students and families to improve success rates.
2. I will encourage families to ask questions and help us problem-solve to make improvements that will help their students and the whole school.
3. I will use the Design Process and Learning Habits of Mind as well as Restorative Practices to help "Engineer the Future" through an inclusive and collaborative environment throughout the school community.
