

Objective: *What exactly do I want to achieve? (e.g., "Create 5 catchy email subject lines for Campaign X")*

Prompt (Version 1): *Paste your first, raw prompt idea here.*

Result and Analysis: *What did I get? What was missing? (e.g., "The results were too general. Lacked a persona and specific target audience context.")*

Prompt (Version 2 - improved): *Paste the improved version here, adding the missing anatomy components.*

Final Result: *Paste the significantly better result you received here.*
