

# Template for Abstract Preparation of NFSMP2026

Takeo Kato

*ISSP, The University of Tokyo, Kashiwa, 277-8581 Japan*

One-page abstract should be prepared on an A4-size paper with 2 cm margins all around. The main text should be described with single-space and the font size of 11 point. The numbered list of references can be placed at the end of the abstract. When referring to them in the text, the reference number should be indicated by brackets, such as [1,2]. Colored figures can be included; they should be numbered consecutively and accompanied by a figure caption in 11 point below the figure. Please do not generate page numbers. The abstract should be uploaded in the pdf format.
