

This Privacy Policy describes how Astra Note ("we," "us," or "our") handles information in our mobile application, Astra Note (the "App").

## **1. Information We Do Not Collect**

Astra Note is designed to be a private and secure note-taking application. We do not collect any personal information, sensitive data, or usage data from you. This includes, but is not limited to:

Your name, email address, or any other identifying details.  
Your notes or any content you create within the App.  
Information about your device, location, or app usage.  
Any data that could be used to identify you personally.

## **2. How Your Data is Handled**

All notes and data you create within Astra Note are stored locally on your device only. We do not transmit your notes or any other data to our servers or to any third parties. This means:

Your notes are completely private. Only you have access to the content you create in the App.  
No internet connection is required for the core functionality of the App, as your data is not being sent or received from external servers.

## **3. No Third-Party Access**

Astra Note does not integrate with any third-party SDKs (Software Development Kits) for analytics, advertising, or any other purpose. This ensures that no external companies have access to your data through our App.

## **4. Children's Privacy**

Astra Note is not intended for use by children under the age of 13, and we do not knowingly collect any information from children under the age of 13. Given our policy of not collecting any user data, children's privacy is inherently protected.

## **5. Changes to This Privacy Policy**

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.

## **6. Contact Us**
