TIFFANY W. COZZOLINO
Assistant Principal

GERALD T. AUTH
CHARIHotech Director

Dear CHS Students and Parents/Guardians,

Welcome to Chariho High School! Whether you are joining us for the first time as a freshman or returning for your senior year, we are excited to begin the 2026–2027 school year together. A new school year brings fresh opportunities to learn, grow, build meaningful friendships, and create lasting memories. Above all, we want every student to walk through our doors feeling welcomed, valued, connected, and confident in their ability to succeed.

Many of you already know Mrs. Cozzolino, our Assistant Principal, and Mr. Auth, CHARIHotech Director. My name is Angela Christina, and I am honored to serve as the new principal of Chariho High School. Although I have only recently joined the Chariho community, it is already clear to me that this school is defined by exceptional students, dedicated educators, engaged families, and a proud tradition of excellence. I am excited to build relationships with all of you and continue the important work of helping every student thrive.

At CHS, we are committed to creating a learning community where every student is challenged to reach their highest potential while receiving the support and encouragement needed to succeed. We believe success extends beyond academics. It is reflected in the kindness we show one another, the resilience we develop through challenges, the confidence we gain as learners and leaders, and the positive contributions we make to our school community. Together, we will foster curiosity, celebrate growth, embrace diverse perspectives, and encourage every student to take pride in both who they are and who they are becoming.

Great schools are built on strong partnerships among students, families, educators, and the community. We are committed to open communication and meaningful collaboration because we know that students achieve their greatest success when we work together. Throughout the year, you can expect to receive regular updates via email as well as other communications highlighting important dates, school news, events, celebrations, and upcoming opportunities. To receive our communications, please ensure your email address is up to date in PowerSchool. We also encourage you to reach out whenever you have questions, ideas, or concerns. Your partnership is invaluable, and we look forward to making this a rewarding and successful year for every student.

Students, we can't wait to welcome you on **Wednesday, August 26.**

Angela S. Christina
