

RANCHO SAN MIGUEL MARKETS ANNOUNCES EXPANSION IN NORTHERN STOCKTON

LODI, CA (June 2, 2025) - PAQ, Inc., operating as Food 4 Less and Rancho San Miguel Markets, is thrilled to announce the unveiling of its 25th store—marking a major milestone in the company's continued growth throughout the Northern, Central and Coastal regions of California.

Formerly a Food Source, the new Rancho San Miguel Market will be located at 2323 West Hammer Lane, Stockton, CA 95209. Spanning 61,000 square feet, the new store will introduce a rich cultural flavor to the shopping experience, delivering a unique destination that has long been missing in North Stockton.

Shoppers can look forward to a full-service Cocina offering a variety of authentic Hispanic dishes, perfect for feeding the entire family. The store will also feature a Panadería with freshly baked breads, pastries, and custom cakes made daily on-site. A full-service meat and seafood department will provide high-quality USDA Choice meats, while the grab-and-go section will showcase freshly prepared items—including a signature salsa and ceviche bar. The produce department will highlight farm-fresh fruits and vegetables, with a focus on seasonal offerings and locally sourced items.

“This expansion is more than just a replacement supermarket—it’s a renewed commitment to the communities that have embraced us and helped us grow,” said Mike Molinar, CEO of PAQ, Inc. “Every Rancho San Miguel Market is a celebration of culture, family, and food. We’re excited to bring that spirit to North Stockton and continue serving the community with high quality, affordable foods.”

The new Rancho San Miguel Market in Stockton is scheduled to open in the fall of 2025. The company plans to hire more than 100 employees as part of its expansion efforts. For career opportunities, please visit www.RanchoSanMiguelMarkets.com.
