In each of the follow sentences, identify which words are content words and which words are function words by putting a C or an F above each word.

1. The cat sat on the mat.
2. I do not like green eggs and ham.
3. Will you pick up some soap at Target for me?
4. We are studying morphology in linguistics class.
5. I need to write my paper.

In the chart below, draw slashes between each morpheme in the word. Then, tell how many morphemes make up the word, and list the bound morpheme and the free morpheme. The first one is an example.

Word	Number of morphemes	Free morphemes	Bound morphemes
