**2024 -2025**

### **LAUNCHING CERTIFICATE COURSE ON COMPUTER HARDWARE PERIPHERALS**

Date & Time	:	29-01-2025
Name of the Program	:	Launching Certificate Course on Computer Hardware Peripherals
Department Incharge	:	Smt B.Soujanya
Resource Person	:	Smt.M.Veera Kalyani

#### **Brief Report:**

The Department of Computer Science & Computer Applications, SVR Government Degree College inaugurated Certificate Course on Computer Hardware Peripherals on January 29th, 2025

The inauguration ceremony proved to be a resounding success, marking a significant step in the Department's commitment to enhancing student skills and providing valuable learning opportunities.

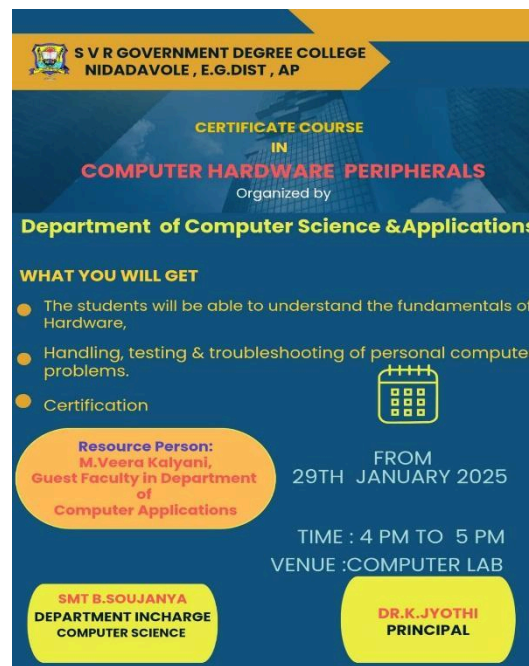

The program sheet was executed wonderfully, making the event both informative and engaging:

- The event began by welcoming esteemed guests who graced the occasion with their presence and support.
- The ceremony commenced auspiciously with a melodious prayer song, setting a positive tone for the event.
- Our respected Principal Dr.K.Jyothi officially launched the Certificate Course through a Brochure release and an insightful speech, highlighting the course's importance and benefits for the students.
- Smt B.Soujanya , Department In-charge provided a clear and comprehensive Syllabus Explanation, ensuring students understood the course structure and learning outcomes.
- Addresses by Dr.T.Hanumantha Rao IQAC Coordinator, and Dr.P.S.S Sravanthi Academic Coordinator further emphasized the college's dedication to quality education, holistic student development, and the significance of this new Certificate Course within the academic framework.
- M. Veera Kalyani, Resource Person delivered an engaging Course Introduction, offering valuable insights into the practical applications and real-world relevance of the program, sparking student interest and enthusiasm.

- An interactive session was held to gather suggestions from faculty and students, fostering a collaborative environment and valuable feedback for future improvements and course enhancements.
- The event concluded on a high note with a heartfelt Vote of Thanks expressing gratitude to all contributors, followed by the National Anthem, instilling a sense of patriotism and unity.

The Department of Computer Science & Computer Applications extends its sincere thanks to everyone who contributed to making the Certificate Course Inauguration a grand success. We are excited about the journey ahead and the valuable learning experiences this course will provide to our students!
