

Thanks for reaching out, but my show is booked solid (except for a few spots reserved for future joint venture partners, see below!)

There are over 30,000 members and lots of podcast hosts in my Facebook group "The Coaching Jungle" ([www.TheCoachingJungle.com](http://www.TheCoachingJungle.com)) so I'd encourage you to join for interview connections.

To put your promotional posts on the group wall and receive other benefits become a VIP member by going here:

And to get even more exposure and a guaranteed spot on the Natural Born Coaches podcast, check out my joint venture campaign packages to get in front of 100,000 coaches here:
