

## Community Engagement Library Program

**Title:**

Where's the Learning in Service-Learning? 1st Edition

**Author:**

By Janet Eyler (Author), Dwight E. Giles, Jr. (Author), Alexander Astin (Foreword) 1999

**ISBN:**

9780470907467

**Synopsis:**

This timely volume is the first to explore service-learning as a valid learning activity. The authors present extensive data from two groundbreaking national research projects. Their studies include a large national survey focused on attitudes and perceptions of learning, intensive student interviews before and after the service semester, and additional comprehensive interviews to explore student views of the service-learning process.
