- **eUnited 2nd in Groups**
 - Sticking pretty heavy to dive comp with subtle changes of Rubikon to Mercy and Unfixed to Pharah
 - Seeming to struggle with "standard meta" of triple tank setup
- **Laser Kittens in first tournament showing make it to playoffs**
 - 4 out of 5 matches went full 3 maps, Showing they have potential and time should do well for them.
 - Nesh real standout player

- **Apex**

- Runaway vs LW Blue (Runaway wins 3-2)
 - Runaway started super hot w/ Nanoblade comp on Lijiang and then went away from it for a couple maps after that surprisingly letting LWB back in.
 - Kaiser/Saebyeolbe making huge plays, Janus/Luna struggling
 - Runaway arguably the best stall team (ie Route 66, Hanamura, Eichenwalde)
 - Is there a point where switching heroes too much on a map is detrimental? (flower on eichen)
