

CIGBYTE

Art Commissions and Pricing!

All prices shown are base prices, costs are subject to change when discussing your commission, based on things such as character complexity, last minute changes ETC. I reserve the right to do this!

Some things I do not offer as a commission yet, due to my lack of confidence in them and a tendency to be inconsistent with my style. Things like line brushes, shading, ETC.

⬆ POKÈSPRITES - START AT £55 GBP ⬆

⬆ FULLBODY FINELINE - START AT £75 GBP ⬆
