

10 Gorgeous Braid Hairstyle Ideas in Wedding Season

Wedding Season is on and so are we , so the upcoming beautiful brides here are the answers to the most googled question..Which hairstyle should i carry ?? Hair also being the most vital part of the wedding look requires extra attention and care , here i am listing some of the hairstyle to ensure you glam up the crowd :-

1. Fishtail Braid

This trendy hairstyle is an easy voluminous full twisted hairstyle that will go with any Indian outfit like Lehenga , Suit , Anarkali and even a Saree .

It can be worn by Bride on Sangeet or Mehendi. You require some hair extensions , tail comb , bobby pins and super twisting skills. ;)

2. Gajra Braid

Popular in the Southern Part of India , this hairstyle has the famous floral accessory Gajra (quite popular in Bollywood too) , made of Mogras/Jasmine adds aroma to your look. The braids are intertwined with the Gajras to give an inquisitive look. It makes the hairstyle look heavy and adds the oomph factor.

\

3. Waterfall Braid

When in doubt choose waterfall braids , a quick and easy accessory to wear for any function. This hairstyle adds texture , volume and alluring detail to the overall look. You can design it with some natural flowers with the coordination of the dress color.

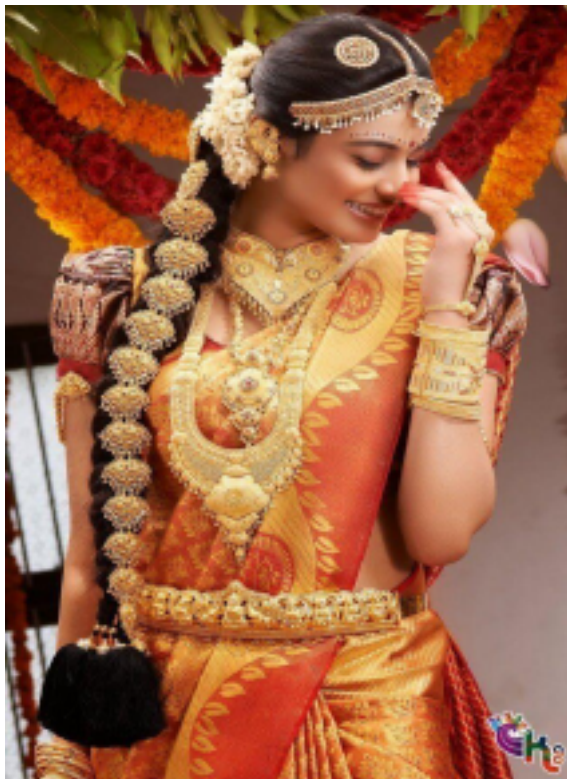

4. Mermaid Braid

Inspired by Mermaids , the sea Princess this style is a combination

of braids and waves. It is perfectly suited for long thick hair , it gives the perfect bridal look for any classy function. Can be worn with different hair ornaments too.

5. Braid with Jewellery

Braid up those long lustrous hair for your wedding look . This simple braid is glamed up with braid jewels . Commonly wore in Southern weddings this hairstyle gives you astonishing look to brides with edge of elegance.

6. Braided High Bun

This look my personal favourite , it makes your hair manageable for the unlimited ceremonies . Braided Bun looks classy and elegant which can be paired with any Indian Outfit. This look is comforting and stylish.

7. Bubble Braid

Wedding ceremonies are too exciting , comprising of multiple rituals in the row , to save the time this braid is the perfect solution. Bubble braid is a

low maintenance but looks amazing. It offers cool twists and classic plaits which take few seconds to create. Add some hair accessory and you already are the show stopper.

8. Sectioned Braid Hairstyle

This hairstyle gives a flowy and messy illusion , it gives a calming look with minimum accessory ,this looks is favourable as the bride is not loaded with unlimited pins and tie ups. This look is definitely a go to look for all the brides .

9. Floral Half Braided Hairstyle

Inspired by the famous Greeks this hairstyle offers an elegant look with detailing. Braiding half of the hair and placing a garland on it leaving the rest of the hair loose is a perfect combination. Choose your garland and give the Bridal Goals to every bride to be.

10. Crown Braid

Lastly this hairstyle gives you all the princess feel , offering a hair

accessory or adding flowers on the front giving a crown look will enhance the bridal feels too. This is your day , so go girl and slay you are beautiful.

A wedding is a beautiful event that occurs in every girl's life . Make your day the way you want it to. Your dress , makeup , hairstyle can be imperfect if you have the perfect soulmate to live the new beginnings.
