

Postgraduate Learning at THP Meeting Recap

November 26th, 2024

Postgraduate Education Changes Coming to THP

Emergency Medicine

- The 5-year FRCPC Emergency Medicine residency program at UofT is launching 2 new residency positions as a part of the new “Mississauga Stream” based at THP!
- Ideal for MAM students interested in EM
- Launching on CARMS this cycle
- More information about the program can be found here:

Internal Medicine

- Similar to many of the downtown hospitals, THP will be onboarding 2 Chief Medical Residents for the UofT Internal Medicine Residency Program!
- Chief Medical Residents help coordinate the delivery of care in the Internal Medicine Clinical Teaching Units and will be a positive change as we work toward clerkship
- More info to come!

Other Specialties

- Residency program expansion discussions are currently underway for Paediatrics, Psychiatry, Internal Medicine, Emergency Medicine, and others for the future!
- More info to come!
