Good afternoon,

Thank you for your email. We are confirming your September 12 presentation to the Board of County Commissioners (Board) at the Chambers in Sarasota. We will be including the report you shared in July and any additional documentation such as PowerPoint that you send by August 31. We will share the Board packet with you when it is published on September 6.

Please also let me know if you have questions about the land use process needed to implement any of the proposals. If you need anything clarified beyond what was previously sent, please let me know. At this time, we do not have an interim report from the Parcel #3 consultant.

We look forward to Fresh Start's updated presentation and Board discussion on Sept. 12.

Thank you,
Jane

Dear Jane Grogg,

Thank you for your email of August 16, 2018. We take it that you have received no staff or commissioner comments, questions, critiques or other responses our July 11, 2018 report, which contained links to our previous reports.

Between now and Sept. 12, 2018, if you should receive letters, emails, or other communications from staff, advisory boards, the EDC or business development, tourism boards, other residents or business owners, or from the Board, we ask that you'd kindly share those with Fresh Start at your earliest convenience..

As for parcel #3, if the Consultant submits any work product, please let us know. We assume it will be public record.

Finally, we look forward to learning the time and timing of our agenda item on Sept. 12.

Thanks Jane,
