

Privacy Policy

PERSONAL INFORMATION

We do not collect Personal Information. “Personal Information” is information that identifies you or another person, which may be transmitted or received when you use an Application, the Services and/or the Site. Personal Information includes your geographic location information, names, physical addresses, email addresses, telephone, fax and other device numbers, social security numbers, calendar entries stored within your Device, contact entries stored within your Device, files, content, photographs, location information and other metadata in photographs and other information you transmit or receive using an Application, the Services, and/or the Site which identifies you or another person. Personal Information also includes information about you or others that may be accessed by our system directly from your Device, including from your address book, location, photos or contacts folder, in order to enable certain features of an Application or the Services, such as the feature that finds and suggests mutual friends and other individuals who you may know. Unless you have elected to opt-out of providing your geographic location information, the Applications may use and store information related to the geographic location of your device and combine this information with other Personal Information to provide certain services, whether or not the Application is active.

Privacy Protections for Children

Our game services are not intended for children. Our games are intended for a general audience and do not knowingly collect or store contact information about children under the age of 13. We may ask for your age to ensure that we are not collecting information from children under 13 or to identify when additional steps may need to be taken when information has been collected from children under 18.

SECURITY

We are very concerned about safeguarding the confidentiality of your information. We do not collect Personal Information, and we employ administrative, physical and electronic measures designed to protect your Non-Personal Information from unauthorized access and use. Please be aware that no security measures that we take to protect your information is absolutely guaranteed to avoid unauthorized access or use of your Non-Personal Information or is impenetrable.

THIRD-PARTY WEBSITES AND SERVICES

The Apps may contain links to other websites and online services, including third-party advertisements. If you choose to click through to one of these other websites or online services, please note that any information you may provide will be subject to the privacy policy and other terms and conditions of that website or service, and not to this Privacy Policy. We do not control third-party websites or services, and the fact that a link to such a website or service appears in the Apps does not mean that we endorse them or have approved their policies or practices relating to user information. Before providing any information to any third-party website or service, we encourage you to review the privacy policy and other terms and conditions of that website or service.

WHY DO WE COLLECT YOUR DATA

- To make the Service work.
- To perform the contract, we process data necessary to:
 - Create accounts and allow you to play our games(apps) and use our Service.
 - Operate the Service.
 - Verify and confirm payments.
 - Provide and deliver products and services you request.
 - Send you Service-related communications.
- To make the Service more suitable for our players.
- To provide a great Service to our players, we have a legitimate interest to collect and process necessary data to:
 - Update and develop player profiles.
 - Develop and improve the Service and player experience.
 - Manage our relationship with you.
 - Provide social features as part of the Service.
 - Customize your Service experience.

HOW DO WE PROTECT YOUR DATA

Security and confidentiality of your personal information

In order to help ensure a secure and safe player experience, we are continuously developing and implementing administrative, technical and physical security measures to protect your personal information collected through the Services from unauthorized access or against loss, misuse or alteration.

We take, and force applicable third parties to take, reasonable precautions to protect your personal information against loss, misuse, unauthorised disclosure, alteration, and destruction.

When we use third parties to assist us in processing your personal information or credit card information, we take reasonable steps to require that they comply with this Privacy Policy and otherwise protect your personal information.

If there is a breach of security involving your personal information, including

credit card information, from our Services, we will inform you immediately according to your local regulations relating to the notification of information Breaches, and take commercially reasonable steps to rectify such breach. If you believe your personal information is being improperly used by us or any third party, please immediately notify us via email at frolicgamesstudio@gmail.com

OUR POLICY TOWARD CHILDREN UNDER 13 YEARS OF AGE

The Services are not directed to children under 13 years of age. If you become aware that your child under 13 has provided us with personal information without your consent. We do not knowingly collect Personal Information from children under 13. If we become aware that a child under 13 has provided us with Personal Information, we take steps to remove such information and terminate the child's account. By using any Application, the Services or the Site, you are representing to us that you are not under the age of 13. If you are under 13 years of age, you are not authorized to use any of the Applications and must immediately delete it from your User Devices. We recommend that minors, who are 13 years old but under 18 years old, ask their parents or legal guardians for permission before sending any information about themselves to us or anyone else, whether by using an Application, the Services or the Site.

Privacy Protections for Children

Our game services are not intended for children. Our games are intended for a general audience and do not knowingly collect or store contact information about children under the age of 13. We may ask for your age to ensure that we are not collecting information from children under 13 or to identify when additional steps may need to be taken when information has been collected from children under 18.

Privacy Policy

We may update this Privacy Policy to reflect changes in our practices and service offerings. If we modify our Privacy Policy, we will update the last modified date and such changes will be effective upon posting.

Contact & Complaints
