

Saxon & Stella's *Sleepover*

In Home Luxury Boarding

Saxon is our 6-year-old German Shepherd and Stella is our 5-month-old hound mix. They love playing and making new friends. Your dog will never feel lonely with Saxon and Stella!

We host very few dogs at a time to be sure there is plenty of attention and playtime. Your dog will have access to a large landscaped enclosed backyard, a spacious furnished doggy playroom with lots of toys, cozy couches, rugs, and cool floors for resting and naps. In addition to chaperoned playtime, your pup will have open access to the backyard to go potty, play, or just relax in the sun. When it is time for bed, friends will pick their favorite couch, bed, or nook and wind down with ambient relaxation music designed for pets. In addition, chaperoned swim time is available through August for those water lovers. In

We can provide regular updates including pictures. Don't be surprised to see your dog snuggling on the couch with a family member!

WHAT YOU NEED TO KNOW

- Please provide your dog's food, treats, favorite toys, and bedding
 - Your dog must be potty trained
 - Your dog must be capable and comfortable walking up and down stairs to access the yard
 - Although our yard is regularly treated for fleas and ticks, mother nature always finds a way. So please make sure your dog is current with flea and tick treatments.
 - Your dog must be comfortable socializing with other dogs and people (a pre-stay socialization visit may be necessary)
 - Your dog's initial interaction with new friends is very important. To ensure all the dogs feel safe and comfortable, we will meet you in the driveway for pre-stay socialization visits and drop-off. If you are dropping off, your dog will begin a careful socialization process to introduce them to new friends once you leave. We start with Saxon and Stella who are highly socialized and then introduce them to other friends. For the safety and comfort of the dogs and owners, we do not allow anyone in the house or backyard. Don't worry, you'll get plenty of pictures during your dog's stay!
 - Crates are available for friends that prefer them to feel safe and comfortable
