1. **Marriott International has built its reputation on trust for nearly a century.** Since 1927, Marriott has remained committed to providing exceptional hospitality while earning the confidence of guests around the world.
2. **Marriott's core values continue to guide our decisions.** Putting people first, acting with integrity, embracing service and striving for excellence remain the foundation of how we welcome guests and operate our properties worldwide.
3. **Every Marriott property is designed with a unique guest experience in mind.** Across our portfolio of more than 9,900 properties, 30-plus brands and 146 countries and territories, each hotel and resort reflects the expectations of the travelers it serves.
4. **Since opening in 2014, Seacliff Cay Resort has offered a distinctive luxury experience centered on privacy and relaxation.** Guests choose this destination because it provides an opportunity to disconnect from everyday distractions and enjoy meaningful time in a peaceful setting.
5. **Privacy is a defining part of the Seacliff Cay experience.** The resort is designed to create an environment where every guest can enjoy their stay with confidence, comfort and peace of mind.
6. **Guest expectations are at the heart of every experience we provide.** The resort's technology guidelines are intended to support the unique atmosphere guests expect when they choose Seacliff Cay and help preserve that experience for everyone on the island.
7. **Our focus remains on earning and maintaining guest trust.** We continuously evaluate the guest experience to ensure our properties reflect Marriott's standards while delivering the hospitality, privacy and service guests have come to expect.
8. **As Marriott continues to grow globally, our commitment remains the same.** We are dedicated to creating places where people can travel confidently, reconnect with what matters most and experience the exceptional hospitality that defines Marriott
