

*Both the reading and listening talk about **obesity**. Using those materials, write a 4 paragraph essay about the **factors leading to obesity** and its **inherent risks**.*

Make sure you include:

- Introductory paragraph with a general statement and a thesis statement
- 2 body paragraphs with 8 sentences each
- One regular topic sentence, one bridging topic sentence
- Concluding paragraph with a thesis restatement, summary of supporting points, and a final thought (3 sentences in total)

Factors leading to obesity (listening)	Inherent risks (reading)
