

SHPETINAS
INITIATIVE

2024-2025

Founded by SHPEtinas R2: Joyisa Alvarez

SHPEtinas Initiative 2024-2025

The goal of this initiative is to increase and strengthen the presence of SHPEtinias across all university and professional chapters within Region 2 starting March 2024 and continuing through March 2025.

The following steps outline what will be required from the Region to meet this initiative:

- All SHPE University & Professional Chapters must have a SHPEtinias Representative.
- Each SHPEtinias Representative must report all events, initiatives, member involvement, and interactions made on behalf of their chapter to the SHPEtinias Region 2 committee.
- Each University SHPEtinias Representative must host one annual professional event.
- Each Professional SHPEtinias Representative must host one undergraduate or high school catered event.
- Each Professional & University SHPEtinias Representative must host one mentorSHPEtinias event annually.

The following metrics will measure the progress toward fulfilling the goals of this initiative:

- Number of active Professional & University chapters with SHPEtinias Representatives
- Total number of SHPEtinias within chapters across Region 2
- Total number of SHPEtinias University & Professional chapter events conducted throughout the year.

What can we do as a chapter?

1. Chapter representatives such as Presidents & VP's should expect to receive an email this month with a document attached to be filled out.
2. All chapter representatives are required to respond & fill out the document to report their current SHPEtina metrics.
3. Moving forward we will continue to conduct reports and accountability to ensure the initiative is moving forward.

If you have any questions, concerns, or would like to meet with our SHPEtinas R2 Representative feel free to email Joyisa Alvarez:

What can I do as a member?

1. **Accountability is key!** If you need resources from your chapter as a SHPEtina notify your local chapter leader - if not feel more than open to contact your R2 SHPEtinas Representative.
2. **Spread the word!** The more people know about it the more the word will spread not only across the region but across the nation!
3. Lastly, ask yourself this question:
"What kind of future do I want to help create for the next generation of SHPEtinas?"
