## Junior Cycle Booklist

Adamstown Community College operates the Junior Cycle school books under the government scheme for 1st - 3rd year students. This scheme provides all textbooks and stationery needed for the 3 years of Junior Cycle. Any books/resources not covered are specifically mentioned in the booklist. School books will be collected at the end of third year as they are the property of the school. All students in junior cycle will receive one copybook per subject and stationery.
