Privacy Policy for رجل الميدان Pro

Last updated: September 2026

1. Introduction
Welcome to "رجل الميدان Pro". We respect your privacy and are committed to protecting any information handled through our application designed for field sales, route tracking, and client order management.

2. Information Collection and Use
- Account & Contact Information: The app may store local operational details, sales records, client routes, and order entries entered by the user.
- Location Data: If enabled, location data is utilized strictly for route navigation, client visits, and delivery planning. We do not sell or track your location for advertising.
- Device Storage: Used strictly to save local data, reports, and app settings.

3. Data Security
We value your trust. All data processed locally on your device remains confidential and is not shared with third parties or external advertising networks.

4. Changes to This Policy
We may update our Privacy Policy periodically. Any updates will be posted directly to this document.

5. Contact Us
If you have any questions or suggestions regarding this Privacy Policy, please contact us at:
