

Rock Camp 2023

Girls Rock! Adelaide | *Role Description*

Band Manager

Band Mentor Team

April 17–22nd 2023

There are two types of Band Mentors at camp - Band Coaches and Band Managers. These two types of Mentors work together during the camp in pairs, one Coach and one Manager per band. Campers are split up into bands on the first day of camp and work together as a group all week with one Band Coach and one Band Manager. These small groups work together to write an original song, guided by each band's Band Coach and Band Manager, that is performed at the showcase on the Saturday.

Band Managers do not need any musical experience but do need experience working with children or young people. Band Managers work alongside a Band Coach with music experience.

Duties

- Work alongside a Band Coach assisting a small group of 3-5 campers in starting a band, working together and writing a song throughout the week
- Assist campers with things like performance skills, dealing with stage fright/anxiety, fear of failure etc - build them up and encourage them to keep trying!
- Provide support in building campers' confidence, encourage working as a team, assist in building conflict resolution and communication skills
- Demonstrate and model positive behaviour and language towards other campers and Girls Rock! staff
- Be encouraging and positive and provide feedback that builds campers' self-esteem
- Identify, celebrate and build on campers' achievements

Essential skills and attributes

- Kind, positive, cheerful, patient
- Able to provide constructive and supportive feedback to campers
