

Description

Sheep Happens – Low Level tournament!

Description

 “Sheep Happens” is a tournament aimed at low-level (Ranging from LUTI Divs 10-D5) Competitive Splatoon teams to prove themselves on the battlefield and rise up in the ranks!!

 Winners will receive a winner’s role, an art prize, and Sendou Badge made by head TO Sheep!

 Winners will be banned from future runs, as they’ve achieved the coveted D7/D5! (Dependent on run)

 **Teams must have a roster of 4+ players to compete!**

-  Sheep Happens DIV 5 CAPPED winner
-  Low Ink Winner
-  Shark Tank Deep Waters winner
-  Tristrike Tuesdays gold podium
-  Climb the Spire gold podium
-  Consistent D4+ results

What's considered a “ban” from Sheep Happens?

 Being above the skill cap of our Div 7 and/or 5 tournaments will result in a “ban”

 Once you win a Sheep Happens tournament (either 7 or 5) you are banned from that specific tournament. Winning both tournaments means you're banned from both tournaments.

 If you aren't sure whether or not you're “banned”, please make an exemption request in our Discord server!

Rules

“Sheep Happens” Tournament Rules

Timing:

Each team has ten (10) minutes to be in their rooms and start the match. If a team is not in their room by the time the 10 minutes has passed, please make a helpdesk post with screenshots (Sendou chat timestamps would be best!). The team with all 4 members in the room will take the 1st game. If another five (5) minutes has passed, please notify a TO, and a 2nd game will be given to the team with 4 members in the room.

Note – If all games have been taken from a team with no response saying they will get a sub, they will be disqualified from that day’s run!

Disconnections and replays:

Each team is allowed one DC per set. A replay is allowed only if the timer is not past the 2:30 mark, and/or if the score is less than 50 points. Please notify staff in the tournament’s helpdesk, and provide screenshots/replays as evidence! If another DC happens after the replay was granted, the opposing team will take that match (please message staff in the helpdesk before reporting scores!).

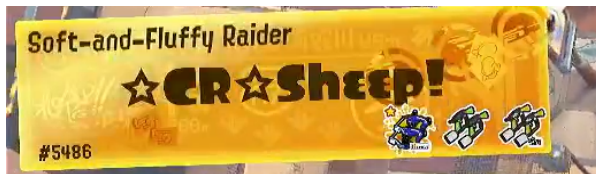

If the host of a room disconnects, the other side will be in charge of creating a new room!

If someone is not moving on opening, please end the battle and notify the other side. Please let staff know in a helpdesk post (with screenshots/replay codes!)

Splashtags:

Team members are expected to use their in-game name as it is shown on your Splashtag. (Example: ☆CR☆Shēēp!#5486) Aliases (or a name that is not the name on your Sendou page) are not permitted, and will result in disqualification from that day's run. If someone is using an alias, please report it to helpdesk immediately, and provide screenshots/replay codes!

IGN should match Sendou 

Player Conduct:

All players must agree to follow server/tournament rules while playing. If a server rule is being broken, please shoot Sheep a DM, and they will take care of it. Breaking server rules will result in a warning, then a temporary ban of 3 days. Punishments will become more severe as offenses increase. Please note that Sheep has the final say for server misconduct!

If you notice a rule is being broken during the tournament, please stop the match (if necessary) and make a helpdesk post (preferably with the **!! Needs Sheep, Urgent**) tag, so TOs can take appropriate action. Disrespecting and/or harassing a TO in any way will result in a ban from current and future "Sheep Happens" events.

Please note that TOs have the final say on decisions brought up within helpdesk! They work really hard to make those decisions, so please be nice to them as they are with you :D

**Thank you for reading our rules! Questions? Ask our
lovely helpdesk staff!
GLHF :D**
