Dear Math Department Chairperson or Mathematics Team Coach:

Nixal High School and OTC Richwood Valley are hosting a Math League (ML) tournament on Friday, December 11th. This contest is being directed by Sarah Garrison and Tania Motto of Nixa High School and will be held on the OTC Richwood Valley campus between Ozark and Nixa. A map and address is attached to this letter. Your school is invited to challenge its students to participate in this exciting event. Tests will be provided by ML and a complete description of the events is available at the website listed below. The registration fee is $10.00 per student, and all students are encouraged to compete in any or all events. You will need to pay Sonya Land at MCTM in advance (preferred) or bring payment to the competition.
