5. Facilities Coordinator: (Joshua Price)
 - a) As everyone is aware, the extreme amount of rain outs has made it very difficult to get games in. I've kept up with it as quickly as the rainouts happen. As of 6/5 all teams that need 12 games have either played 12 games, or are scheduled for 12 games. Unfortunately some of the senior baseball teams were well under 12 games because we stopped rescheduling them (due not not being needed for all-stars). I'm going to soon request Loriella Park for assessments. A brief budget estimate was submitted to the treasurer for facility coordinator. All-stars practices were scheduled. Some managers weren't happy with the fields they were given, but P&R has very few fields available. I would like to get a blue box installed at Post Oak for the fall season so we can utilize that field more often.
 - b) 1 more game to complete to be All Star eligible
6. Fundraising Coordinator: (Angie Williams)
 - a) Picture Fundraiser:

The picture fundraiser was a great success, bringing in a total of \$2,881. I am continuing to meet with families for order pickups and plan to schedule one additional pickup night to accommodate those who have not yet received their items.

b) All-Star Team Stores:

All-Star team stores have been launched and are once again being managed in partnership with My Logo Man—a big thank you to Chelsea for her outstanding support this year. The first five team stores generated \$601.45 in proceeds.

The next six team stores are currently live and will close this Sunday at midnight. Based on current projections, we are on track to exceed \$1,000 in total fundraising from All-Star team store sales.

Thank you to Daniel and James for assisting in distributing this information to team managers and families. I plan to begin delivering the first round of orders to teams on June 11th or 12th.
