Student Center

AJ vice pres of SGA, Lyon, Andrew, Sri

- Went 2 years ago (spring 2015) – georgetown, GW, american univ, univ of Arizona
- Georgetown student center was special..have outside area for student, placed restaurants in student center like a giant arena covering, through middle has space of restaurants with aisles of study centers, nice design, hanging out space
- Michigan – bank, bowling alley, dance hall, etc in student center
- GW – entire floor dedicated to spaces for student organization- Right now in mattin center
- JHU has lots of eating places in campus but not as enticing as st paul street restaurants
- Designer of Mattin center- ran a few studies for student center. Traffic pointed to mattin center but problems with building code.
- Levering has an "identity crisis"
- SGA Initiatives
    - Fund raising in spring for student union (brick alley engraving), time capsule
    - Proposal for student center
- Wish list for student center (the "Lab" is not a Hopkins space)
    - Must haves:
        - Community space for organizations – office and communal space
        - Student services (career office etc.)
        - Need to be prime location-easy access
        - Good food with interactive space
        - Late night dining
        - JHU Vibe - marketing material-identification and pride in JHU-colors and design all JHU-display cases for photography, performance
            - Exhibition for arts at JHU
            - Exhibition for sports at JHU
            - Exhibition for science/accomplishments at JHU
        - Sports-like Bar in middle with possible open seating with large TVs for watching JHU games etc
            - Alcohol is a nice to have
        - Sports lounge- pool tables, arcade, game room
        - Lots of light inside and lots of outdoor space, heritage of hopkins retained
    - Nice to haves:
        - Movie theater
        - Bowling alley
        - Dance hall

- Large space for pep rally's (near by)
