

Privacy Policy for Ascendra

Effective Date: July 22, 2026

Ascendra ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy describes how your information is collected, used, and safeguarded when you use our Android application.

1. Information We Collect

- **Personal Information:** When you create an account or sign in, we may collect your email address and display name.
- **App Data:** Tasks, reminders, schedule data, and daily reflections entered in the app are stored locally on your device and synced securely with cloud database storage if signed in.
- **Usage & Device Info:** Standard diagnostic information to ensure optimal performance.

2. How We Use Information

We use your data exclusively to:

- Manage your tasks, reminders, and schedule.
- Synchronize your data across your signed-in devices.
- Provide account authentication and customer support.

3. Data Security & Storage

Your personal information is encrypted in transit and at rest. We do not sell or rent your personal data to third parties.

4. Third-Party Services

Ascendra may utilize third-party services such as Google Play Services and Firebase for authentication, analytics, and data backup.
