

## Prepare worksheet- For Individuals

This worksheet is designed to help you prepare for your legacy story interview. The interview questions are split up into sections Early Life, College, Career, and Family Life. Use these questions to help you tell your story. Feel free to pick and choose the questions that most resonate with you or create your own. You can also use this worksheet to help you organize any photos you want to include in your interview.

### Early Life

Tell me about your early life. When and where were you born, and where did you grow up?

Tell me about your family. What were your parents' names? Did you have any siblings?

Did you have any pets?

What did your parents do for a living?

What were your favorite hobbies when you were a kid?

What was your favorite subject in school?

What did you want to be when you grew up?

Did you have any major life events during this time?

### School-

Elementary school:

What was the name of your school? What was your favorite subject?

Middle School:

What was the name of your school? What was your favorite subject?

High school:

What was the name of your school? What was your favorite subject?

Were you in any extracurricular activities like band or sports?

What did you do as a teenager for fun?

### College-

What was the name of your school? What was your major? What was your favorite subject?

Were you in any extracurricular activities like band or sports?

Did you have any major life events during this time?

### Career-

Tell me about your first job.

What was most memorable about your career?

Did you have any defining movements or awards?

### Family Life-

When did you get married?

What is the key to a happy marriage?

How many kids did you have? Pets?

What's your favorite memory with your kids?

Did you have any major life events during this time?

Do you have a treasured family recipe you can share?

What is your favorite family tradition?

What has been your proudest moment?

What do you want people to remember about you?

Is there anything else you want to share that I haven't asked?
