Version 6.0

Roleplaying your way in to the tribe is encouraged, as it gives both sides a feel for each other. If you'd prefer not to, go ahead and fill out the application, and pass it to any PRT Elder, or to one of the tribe leaders listed below.

Please fill out as much information as you can, then send this notecard to Storm Galtier (En), Rain Tylman (Se) or Tessie Gray (Elder). We use it for record keeping.
