

Kenmoor Middle School

Parent & Family Engagement Plan 2024-2025

General Requirements for Parent and Family Engagement Plan

Kenmoor Middle School understands the importance of parent and family engagement at our school. Parent and family partnerships afford an opportunity for strengthening the academic program as well as including parents/guardians as equal partners in educating our children. As a Title I school, we are committed to providing programs, activities, and procedures that will enhance opportunities for engaging parents and families in the learning process that are consistent with Title I, Part A of the Every Student Succeeds Act (ESSA). In addition, the school accepts and aligns this plan with the PGCPs Parent and Family Engagement Board Policy. Annually, the Parent & Family Engagement Plan is developed or revised and shared with parents/guardians for input. This document serves as a means to solidify our partnership with the school community and serve as a calendar for upcoming parents and families events. Parents are welcome to provide input/suggestions related to the continuous school improvement process by submitting information to a school administrator verbally, via email communications, and/or through surveys and evaluations. All events and resources will be accessible in a language and format understandable for all parents/guardians. Interpreter services are available for all events in multiple languages and provided based upon prior written request or notification.

Administrators and school staff have analyzed student performance data in order to identify our school's academic goals for school improvement. Here are our 2024-2025 school year academic goals.

SMART GOAL #1:	SMART GOAL #2	SMART GOAL #3
By June 2025, the percentage of students who meet or exceed grade level proficiency (Level 3 or 4) will increase by 15 percentage points on MCAP Mathematics.	During the school year the percent of multilingual learners meeting their growth to target will increase by 3 percentage points as measured by the 2024 WIDA.

Title I ESSA Guidelines for Building Parent Capacity:

- Goal 1: Provide assistance to parents in understanding academic content and the requirements of Title I.
- Goal 2: Provide parents and families with materials and resources to build their capacity to work with children with their academics.
- Goal 3: Train school-based staff regarding engagement strategies, with support from parents.
- Goal 4: Support collaborative efforts with outside community partners and/or county offices to support parent offerings.
- Goal 5: Provide information to parents in a format that is practical and in languages that parents understand.
- Goal 6: Provide accessibility for parents as needed (interpretation, childcare, accessibility for disabled).

In order to provide timely information and assistance to parents and build parent capacity in understanding the requirements of Title I, state and local academic assessments, and ways to monitor and improve a child's progress, we will host the following events. Flyers will be distributed and or placed on our school's website prior to each event that will advertise a flexible number of meeting times and the offering of childcare. Additionally, this completed Parent & Family Engagement Plan will be accessible on the school's webpage.
