Subject: Urgent: Complaint Regarding Slow Internet Speeds

Dear [Internet Service Provider's Name],

I hope this letter finds you well. I am writing to bring to your attention persistent issues I have been facing with slow internet speeds, and I believe it is crucial to address these matters promptly.

Over the past [duration], I have encountered the following problems:

1. Consistently Slow Speeds:

- Despite subscribing to a high-speed plan, the internet speed is consistently below the expected levels, impacting my ability to perform online activities efficiently.

2. Inadequate Bandwidth:

- Even during non-peak hours, the available bandwidth is insufficient, leading to delays and disruptions in my internet usage.

These issues significantly hinder my ability to work, engage in video calls, and perform other online tasks effectively. I have made previous attempts to address these concerns through your customer support channels, but the problems persist.

I kindly request an immediate investigation into these matters and a resolution that ensures the promised internet speed is consistently delivered. Additionally, I expect improved communication and responsiveness from your customer support team.

Thank you for your prompt attention to this matter. I trust that with your intervention, we can resolve these issues and ensure a satisfactory internet speed experience.

Sincerely,
