

HOW TO HAVE A

relationship

Week 4 - Honor

GROUP QUESTIONS

Icebreaker: What is the greatest honor you've ever received?

- What criteria does the world around us use to give honor?

Read Genesis 1:26-27

- What is the Biblical criteria for honoring each other?
- Why is being made in the image of God so important to our understanding of our purpose, and the way we approach people around us?

"There are no ordinary people. You have never talked to a mere mortal. Nations, cultures, arts, civilizations - these are mortal, and their life is to ours as the life of a gnat. But it is immortals whom we joke with, work with, marry, snub and exploit." - CS Lewis

Read 1 Peter 2:17

- What are the limits on who we are supposed to honor? (bonus points if anyone knows who the emperor was when Peter wrote this, and why asking Christians to honor the emperor would be a pretty mind blowing thing to say.)

How We Honor People Impacts Our Relationship With God

- How have you seen this to be true in your own life?
- What do you think it means to honor someone?
- When do you find it easy to honor someone? When is the hardest?

Read Romans 12:9-10

- Jesus says that our love for each other will be what shows the world that we're his followers. Having gone through this whole series as we looked at commitment, confrontation, charity, and now honor, what do you think it means to love one another with brotherly affection?
- Paul almost encourages the readers of Romans to make a competition out of honoring one another. What are ways we could outdo one another in showing honor?
