

CURRENT NEEDS LIST

If an item is NOT on this list, then we do NOT need it, or we do not have space for it.

We wish we could take everything our generous donors have to share, but our basement storage space is only about 1,000 sq. ft. Please follow this list carefully.

Please do not bring: clothes, opened liquids, stained blankets/sheets/towels, items that may pose health hazards (contain lead, BPA, or other chemicals; electrical or mechanical items that work poorly; items that have expiration dates)

Last Updated: 1/13/2025, LH
