

HOME/SCHOOL COMMUNICATION

We use a service called [ParentMail](#). The ParentMail service is registered with the Data Protection Registrar, all information supplied will be kept private. There is no advertising associated with the scheme. ParentMail enables schools to send letters and messages directly to parents/carers by email and text message. In order to communicate with you via ParentMail we need your email addresses and mobile telephone number. Please complete [this form](#). Thank you. Please note that our school messages are sent from the email address info@parentmail.co.uk. You can add this address to your email address book (or approved sender list) in order to prevent messages being blocked and check your Spam/Junk folders regularly in case messages go there.

Teachers use ClassDojo to contact parents and share resources, ideas and support. Further information can be found [here](#)
