## Shareboost Marketing

We collect no data for users of our apps other than the information you provide us for the functions of our apps. However, we use 3rd party plugins which may collect anonymized data about your device for the purpose of serving you notifications and tracking successful delivery. You can view the Onesignal privacy policy here: [https://onesignal.com/privacy\\_policy](https://onesignal.com/privacy_policy). Google Firebase (our backend database provider) may also collect anonymous data, you can view their privacy policy here: <https://firebase.google.com/support/privacy>. If you chose to follow links featured in posts on our notice wall you may be taken to 3rd party websites which have their own privacy policies.

## 2EZ, Saratoga Garlic

When registering for an account with 2EZ to sell Saratoga Garlic, we may require certain identifying information to verify your eligibility to sell our products. 2EZ allows sellers to place orders on behalf of their customers. In order to successfully process your orders we will need contact information for your customer in order to establish consent and a payment plan. The 2EZ application may be used without providing this information for prequalified sellers and buyers. Paying out commission from your sales is at the discretion of Saratoga Garlic and may take place before or after successful customer payment depending on your individual agreement with Saratoga Garlic.
