PTO 2025-2026

We are incredibly grateful to the Hampden Meadows PTO for all they do to support our school community—a special thank you to co-presidents Cat Lea and Lauren Berk for their dedication and leadership. As we look ahead, we hope to grow our team and invite others to get involved. If you're interested in learning more about how you can help, please take a moment to fill out the survey linked below. Completing the survey is not a commitment—just a way to receive more information. Thank you for your continued support!

Fourth and Fifth Grade in SEL

In SEL, our fourth and fifth graders have been working on the "Rockin' HMS" Project that was funded by the Barrington Education Fund. Rockin HMS is an activity designed to promote kindness, joy, and positivity in our community. Students have been painting rocks with uplifting messages or fun, colorful images to brighten someone's day. Fourth graders will have the chance to hide their rocks along the trails around Hampden Meadows School, adding a little surprise kindness to the local area. Fifth graders are encouraged to spread their rocks throughout the greater Barrington community—whether in their neighborhoods, at the baseball field, or along their bike routes. This project helps students understand how small acts of kindness can have a big impact.
